LAKEWOOD, Colo. (May 10, 2016) – The restaurant at the Holiday Inn Denver Lakewood will be sporting a new name as of April 26 – Innsider Bar & Grill.

Keeping local favorites on the menu and the same ice-cold beers on draft, Innsider is the perfect place to indulge in bar bites with friends and family. Guests will enjoy their home teams' games on Innsider's big screen plasma TV's that are scattered throughout to ensure no "Top 10" plays are missed.

"It was important to our team that we maintain the same great taste as Sporting News Grill, while we elevate it to be even better," Aaron Dexter, general manager of the Holiday Inn Denver Lakewood, said. "We invite our guests to discover our updates and try out the great new items on the menu."

Innsider Bar & Grill is open for breakfast, lunch and dinner and features new menu items including:

- Firecracker Shrimp: Jumbo shrimp lightly breaded and tossed in a red chili sauce that pops with sweet Asian heat, \$11.00
- Grilled Sirloin Salad: Sliced grilled sirloin over mixed greens tossed with balsamic vinaigrette. Topped with blue cheese, tomatoes, red onion and served with grilled Ciabatta, \$13.50
- Citrus Grilled Salmon: A grilled filet of salmon finished in a citrus, white wine butter sauce, \$18
- BBQ Bacon Cheddar Burger: 8 ounces of char-broiled Angus beef seasoned and topped with barbeque sauce, crisp bacon and melted cheddar cheese, \$11.25
